

NAPOLEON INTERVIEWED.—Napoleon has been interviewed at Brighton, by a clever London correspondent, who reports that the ex-Majesty takes a thrilling interest in the European situation, and that he asserts that there is preparing for war. He says that the venerable President has increased the cost of the army by 100,000,000 of francs, and that in view of this, Napoleon allows that he is suspicious of warlike designs. The Emperor expressed strong belief in the free trade, and said he greatly regretted the retrograde policy of M. Thiers. He does not seem to think that the peace of Europe is in any immediate danger.

A letter from Bucharest reports a curious atmospheric phenomenon which occurred there on the 25th of July, at a quarter past 9 in the evening. During the day the heat was stifling. The sky was cloudless. In the evening, everybody went out walking, and dressed in white, low-necked robes. Toward 8 o'clock a small cloud appeared on the horizon, and a quarter of an hour afterward rain began to fall—when, to the horror of everybody, it was found to consist of black worms of the size of an ordinary fly. All the streets were strewn with these curious animals.

EXTRACT FROM TELEGRAPH AND MESSENGER, MAON, GA.—We had tested its virtue personally, and know that for dyspepsia, biliousness and throbbing headache arising therefrom, it is the best medicine the world ever saw. We had tried forty other remedies before the Simmons Liver Regulator, but none of them gave us more than temporary relief, but the Regulator not only relieved, but it cured us.—*Editor Telegraph.* 28543

The New York Tribune announces an impending exposure of the way immigrants are treated on shipboard at Castle Garden and en route to the far West. To make the thing as realistic as possible, a reporter of that paper has taken steership passage from an English port, and, if he survives the entire trip, will relate his experience. The Tribune, it will be recollected, recently stirred up the insane asylums by a similar process.

GRAND OPERATIC AND BALLAD CONCERT IN BEHALF OF THE SOUTH CAROLINA MONUMENT ASSOCIATION.—The Board of Directors of the South Carolina Monument Association beg to announce that a concert in behalf of their association will be given in Columbia, early in November. A number of celebrated amateur performers of this place, besides several gentlemen from other parts of the State, have generously lent their services for the occasion.

The programme and full particulars of the concert will be published some weeks prior to the fair, so that persons residing in distant parts of the State may avail themselves of this opportunity to enjoy a rich musical treat.

The Monument Association has purchased a site for the Confederate monument, and hopes soon to lay the cornerstone. A large sum is still needed to complete the work, and we appeal to all for aid—to those whose privilege it was to fight by the side of the gallant dead whose deeds we commemorate; to the mothers and wives of these men; to their children, who, in years to come, are to redeem South Carolina; and lastly, to those who love liberty and who honor the past and pray for the future of our beloved State.

SOUTH CAROLINA MONUMENT ASSOCIATION.—COLUMBIA, S. C., September 20, 1872.—The Board of Directors of the South Carolina Monument Association, encouraged by the success of the bazaar, last year, and yielding to the urgent request of a great number of persons, take pleasure in announcing that they will open a "monument restaurant" at the fair grounds, on the first day of the fair, and will not close their sales until after the distribution of prizes. This restaurant is entirely under the control of the Board of Directors of the association, and the Executive Committee is appointed from their number. Lunches will be served from 11 A. M. till 4 P. M. Contributions of meats and poultry, as well as of money are solicited, and may be sent to either of the following ladies, who compose the Executive Committee: Mrs. J. T. Darby, Miss LaBorde, Mrs. W. H. Gibbs, Miss I. D. Martin.

FATHERS AND MOTHERS.—If you occupy these relations now, or are about to do so, study well your constitution. If you have acquired or inherited Scrofula, or any disease which may be transmitted to your offspring, it is your solemn duty to eradicate it. Thousands of children are now suffering from the effects of poisonous disease transmitted to them from their parents. The thought is terrible. You can save yourselves much sadness and solicitude, and your dear little ones much pain and unhappiness, by the timely use of Dr. Tull's Sarsaparilla and Queen's Delicacy. It will surely eradicate the taint from your system, or if it has already been entailed upon your child, give it at once this valuable preparation, and its system will be renovated and restored to soundness.

MONTGOMERY CO., N. C., Sept. 11, 1869. Dr. Wm. H. Tull.—Sir: Please accept the heartfelt thanks of a mother who was well nigh driven to despair by the untimely death of an only child. My little boy has been afflicted with Scrofula ever since his birth, and after trying every remedy that was recommended, and several physicians had pronounced him past all hope, I accidentally heard of your Sarsaparilla and Queen's Delicacy. It was so highly recommended that I concluded to try it, but I must confess with very little faith. He has taken nine of the bottles you sent me, and I am happy in being able to say that he is almost well; and I believe by the time he takes the dozen he will be perfectly restored to health. He has gained flesh, has a fine appetite, and now walks two miles to school. I shall always remember you with gratitude. Oct 1 1371 ANN MURRAY.

## Ayer's Cathartic Pills,

FOR the relief and cure of all derangements in the stomach, liver and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use, and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest and best of all the Pills with which the market abounds. By their occasional use, the blood is purified, the corrutives of the system expelled, obstructions removed, and the whole machinery of life restored to its pleasant activity. Internal organs which become clogged and sluggish are cleansed by Ayer's Pills, and assimilated into action. Thus incipient diseases are changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. The sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to protect them as a Family Physician, and for the following complaints, which these Pills rapidly cure:

For Dyspepsia or Indigestion, Loss of appetite, Languor and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysentery, Diarrhea, but one mild dose is generally required.

For Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change these complaints disappear.

For Dropsy or Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression, a large dose should be taken, as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills make him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

## To the Ladies.

ONE of the worst forms of discoloration of the skin, and of pimples and eruptive faces, is caused by the use of CALOMEL and BLUE MASS. Mercurial medicines are supposed to have a special action on the liver; the theory is erroneous, but the fact is inviolable in repeated doses it produces active inflammation in this condition the liver is badly damaged. The liver is more torpid; the skin must do some of the liver's work, in excreting bile elements, and will be liable to pimples, blotches, eruptions, dark spots, discolorations, tubercles, sore mouth, sore throat, catarrhal affections, &c. The only efficacious liver medicine is HEINTZSH'S LIVER PILLS. No calomel. They regulate the liver and purify the blood.
